Dear Ernie:

Before we realized it, our club season has been underway for almost a month. On checking, I found no arrangements have been made with you for our annual "Old Timers Nite".

As in the past, we have been the recipients of Pabst's hospitality on the Thursday that falls between Christmas and New Years.

I fully realize that this request reaches you much later than I expect it should, but I know if you can arrange an evening for us, you will do so.

I would like to add that although our meeting nites are always on Thursday, and we would prefer to have a Thursday get-together, we are in no way restricted to either the day or the exact date. Last year I believe, it was held the first week in January.

Although our tardiness in requesting a date doesn't warrant a prompt reply, we will anxiously await an answer.

Sincerely yours,

Ken Eggert, W9MOT
